

ELLA WEST FREEMAN FOUNDATION APPLICATION FORM

In evaluating requests, the Ella West Freeman Foundation gives special consideration to organizations in the Greater New Orleans area. Within the New Orleans area, the Ella West Freeman Foundation supports a variety of programs in the fields of civic affairs, community development, the arts, education and human resources. Priority is given to funding for specific projects or programs incorporating well-defined objectives and timetables and promising broad public benefits. They are usually given for a period of time not exceeding two years. Longer term projects will usually require evaluation for further funding.

Capital projects are considered for organizations with strong records of community service. They must demonstrate true need for the proposed facility and they must also provide a credible fund-raising plan as well as demonstrate the capacity to maintain the building and facilities once they are in place.

Sustaining grants to organizations are given a lower priority. Ordinarily, no operating support is considered for organizations supported by community giving campaigns such as the United Way and the Archbishop's Community Appeal.

Proposals are accepted and reviewed throughout the year. Interviews will be conducted only at the initiation of the Foundation. Decisions regarding grants will be made only at regularly scheduled meetings of the trustees which are usually held twice a year in the spring and fall. Deadlines for submitting proposals prior to the scheduled meetings are March 1 and October 15 respectively. Proposals must physically be in our possession on the deadline day, but the earlier we receive them the more carefully we can review them.
